

BOV 3D Secure:

Downloading the App and Enrolment

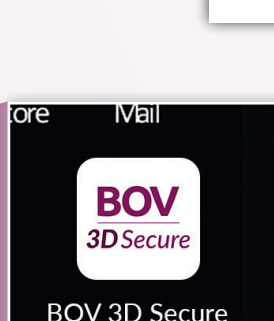

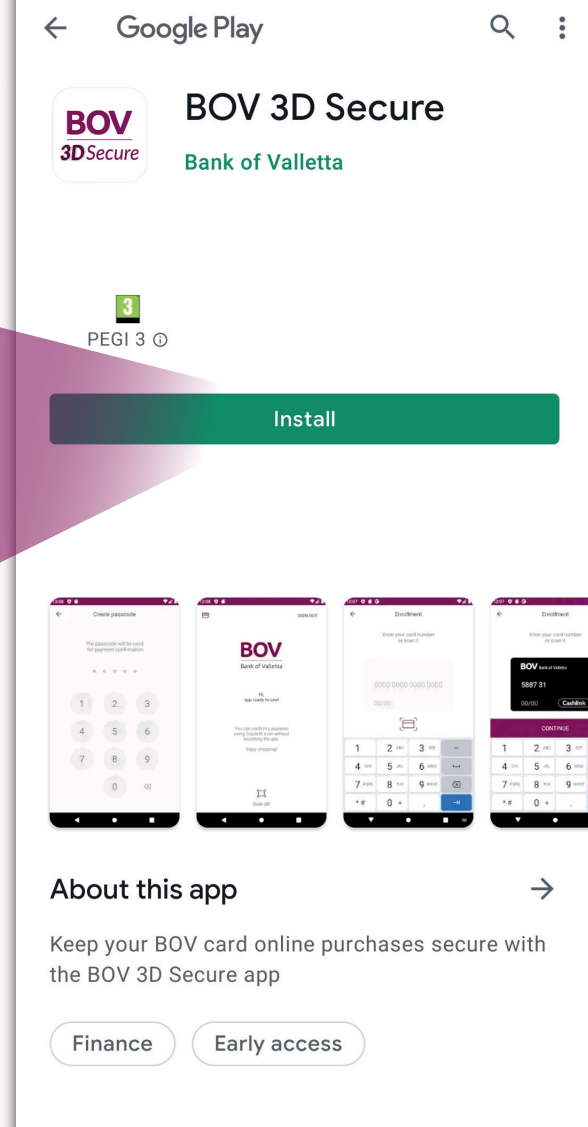

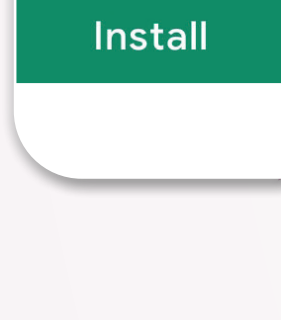

1. Installing the **BOV 3D SECURE** app

Scan the QR CODE and you will be directed to the BOV 3D SECURE App in your in your respective store.

2. Tap '**INSTALL**,' and tap '**OPEN**'

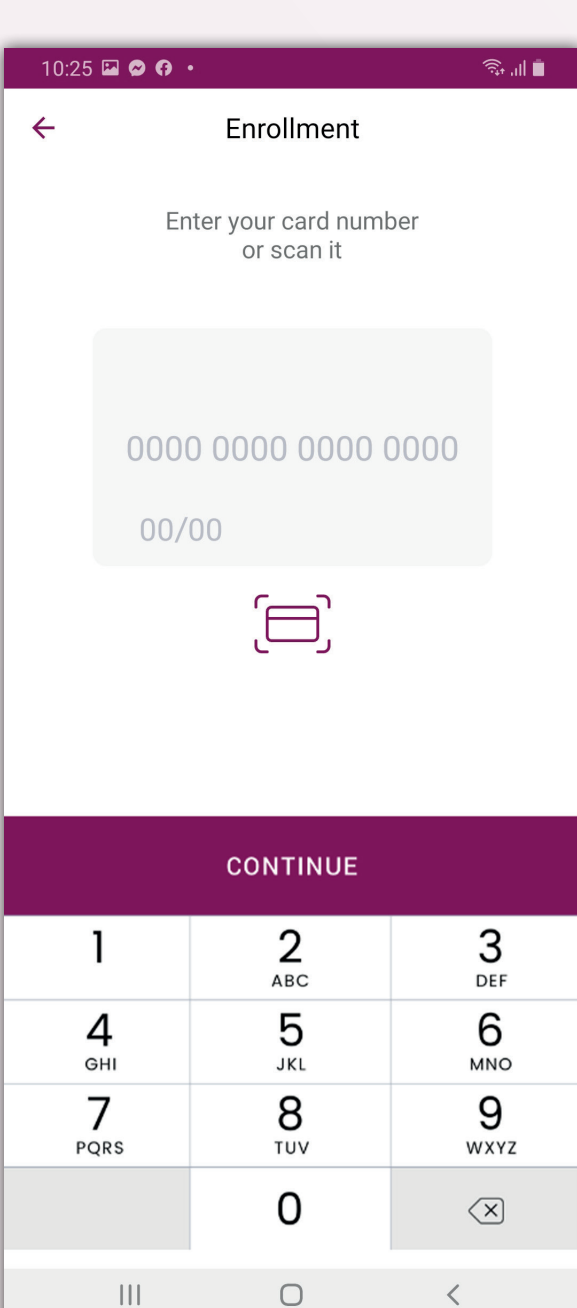

The new BOV 3D Secure App will be installed on your mobile

3. **ENROLMENT**

Tap the **APP** and you will be prompted to enrol your card by either taking a picture of the front of the card, or by inserting the card number and the expiry date in the appropriate fields.

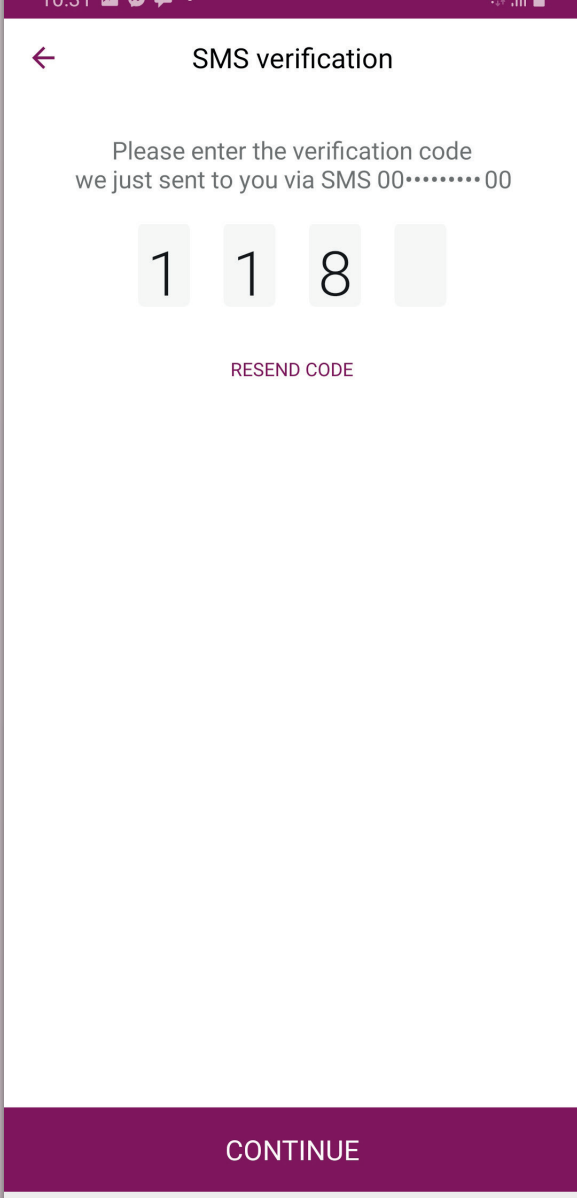

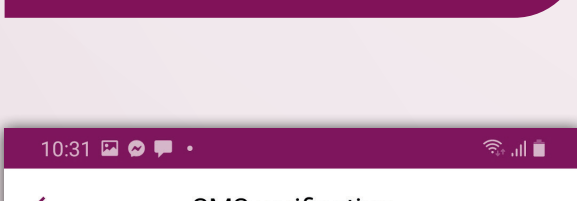

Once done tap '**CONTINUE**'

4. You will then be prompted to insert the **CVV** (the 3 digits that are found on the reverse of the card)

Once done tap '**CONTINUE**'

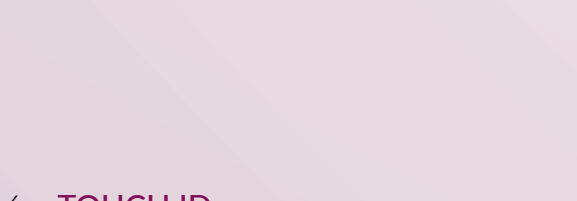

Please note that you need only enrol one card – following that all your valid BOV credit and debit cards will automatically be uploaded to the app.

5. **ONE TIME PASSCODE**

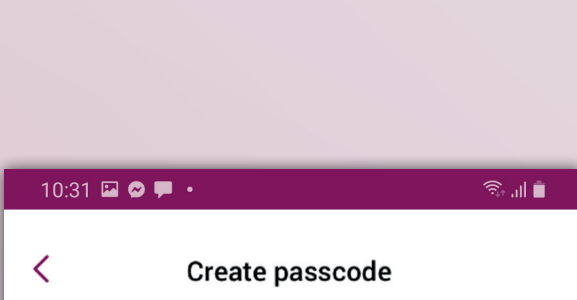

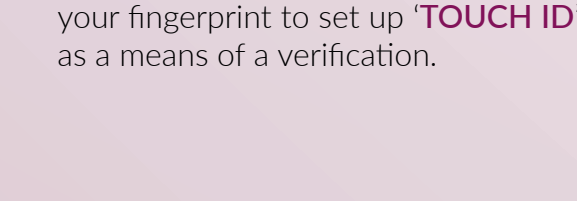

Upon tapping '**CONTINUE**' you will receive an **SMS** on the mobile number that is registered with the bank.

The SMS contains a one-time passcode that should be inserted on the screen on the BOV 3 Secure App

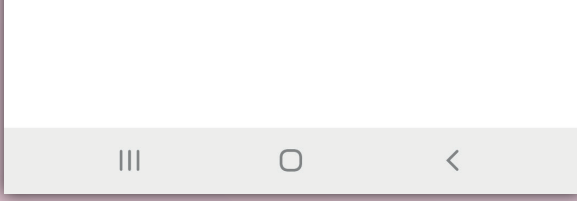

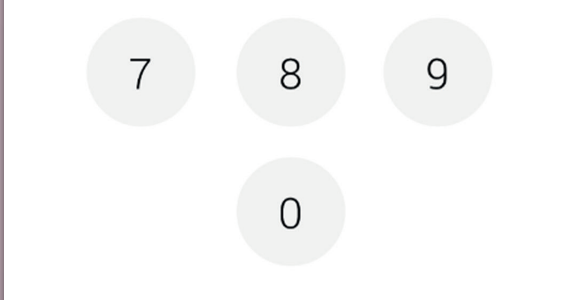

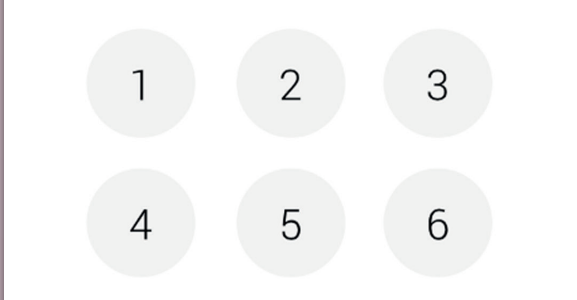

6. **TOUCH ID**

If your smart phone also supports biometric authentication you can scan your fingerprint to set up '**TOUCH ID**' as a means of a verification.

7. **CREATE PASSCODE**

You will now be prompted to create a passcode that you will use to authenticate each purchase you make online – therefore be sure to create a passcode that you will remember.

CONGRATUALIONS!

You have successfully downloaded the **BOV 3D SECURE** app and registered your card to the app.

You can now **SHOP ONLINE** securely!
