www.stockbroking.com.mt

Whether you are a regular trader or completely new to the world of investments, Bank of Valletta can facilitate the achievement of your financial goals.

Buying and selling shares, ETFs, debt instruments and funds through us is extremely easy and straightforward.

Bank of Valletta offers a dynamic service led by a team of experienced traders capable of executing your instructions in a prompt and efficient way.

For a personalised experience, the Bank offers its clients the possibility of placing orders via the following touch points:

• Branches/Agencies

All Bank of Valletta branches and agencies spread across Malta and Gozo offer the provision of stockbroking services on an execution-only basis solely for instruments traded on the Malta Stock Exchange.

• Investment Centres

Financial Advisors deployed in the strategically located Investment Centres in Valletta, Qormi, Gzira, Birkirkara, Bir id-Deheb, and Victoria, Gozo, provide advice on product-based asset allocation models and non-advisory services in relation to execution-only trades on both the local and foreign markets.

• Wealth Management

Bank of Valletta offers bespoke wealth management services to its personal high net worth (HNW) clients and their families, corporate and fiduciary clients. Services are personalised, specialised and tailored around the client's risk profile, investment objectives and financial circumstances.

For a fully digital experience, Bank of Valletta offers its clients the possibility of placing orders via the following channels:

- **24x7 eBrokerage**

By means of the BOV 24x7 online banking platform you may securely route trading instructions to stockbroking desk which is manned Mondays to Fridays between 0800 hrs and 1900 hrs including local public holidays*. Customers utilising this channel will enjoy reduced trading fees on both local and foreign trades.**

- **eTrader+ powered by Saxo Bank**

The online trading platform offered by Saxo Bank gives frequent traders low-cost real-time access to all major stock exchanges and liquidity providers. Whether from your PC or your mobile device, you can trade 19,000 global stocks and 3,000 exchange traded funds on 36 of the world's major exchanges, coupled with access to a wide range of government and corporate bonds.
