- b) The Card may only be used by you, and you must take great care of it. You must not interfere with any magnetic stripe or integrated circuit (chip) in the Card. Furthermore you are not to disclose the Card number except when properly using the Card and you are to comply with any other instructions which we may issue regarding the safekeeping of the Card, its number, and any other PIN, code or Card/Security details that are communicated to you in connection with the use of the card through any channel as described in clause ‘f’ below.
- c) The Card remains the property of the Bank and must be returned on request.
- d) You may only use the Card during the validity period shown and for amounts, which will not cause the credit limit to be exceeded. The Card must not be used if cancelled or suspended by us.
- e) You may only use the Card to pay for goods or services, or to obtain cash advances, or for any other purpose that we allow from time to time. The Card must not be used for any illegal purposes.
- f) Use of the Card may be:
 - i) accompanied by the Cardholder signing a sales voucher or order form showing the Card number (amongst other things); or
 - ii) accompanied by the Cardholder entering the PIN (Personal Identification Number) on the EPOS (Electronic Point of Sale) terminal or PIN Pad to confirm and authorise a transaction; or

- g) Your signature on the sales voucher or other order or authorisation form (such as Direct Debit Mandate or subscription) showing your Card number, the quoting of your Card number and/or other details over the telephone or internet or the inputting of your PIN, or the transmission of your Card/Security Details e.g. by tapping your card at a point of sale, signifies your consent to execute a transaction.
- h) A transaction cannot be revoked by yourself once you have given your consent as mentioned above. In the case of Card recurring transactions or Card transactions which are initiated by, or through the person for whom payment is intended (the payee), you may not revoke the transaction after transmitting the payment order or giving the payee your consent to execute the transaction.
- i) It will remain your sole responsibility to ensure that your renewed Card is in your possession prior to the expiry date of your Card.
- j) You must give the Bank at least 30 days notice prior to expiry date of the Card if you do not wish to renew your Card.

3. YOUR PIN / 3D SECURE PASSCODE / VERIFICATION CODES / OTHER SECURITY DETAILS

- a) You may use your Card to effect transactions through various channels. For this reason you will be issued with any one, or all, of the below:
 - i) A PIN – personal identification number to be used for example at the ATM or at the Point of Sale;
 - ii) A 3D Secure passcode – to be used for example when effecting online purchase;

- b) In all the above instances, any PIN and/or Card/Security Details communicated to you to be used in conjunction with your Card must be kept secret. This means that you must not disclose such Card/Security Details to anyone else, including Bank personnel, or record them in any way which allows another person to discover them.
- c) If the PIN, or any other Card/Security Details, are communicated to you on paper, upon receipt you must destroy the PIN notification. If the Card/Security Details are communicated to you in electronic format for use in conjunction with a specific app/wallet or device, you must not insert the code or any Card/Security Details in any other app, website, or device, except the one for which it was intended. In addition, you are to comply with any other instructions, which we may issue regarding the safekeeping of the PIN and/or Card/Security Details.

4. UNAUTHORISED USE OR LOSS OF CARD

- a. The Cardholder must take all the reasonable precautions to prevent the loss, theft or fraudulent use of the Card and the PIN being disclosed to any person. The Cardholder must read statements carefully upon receipt or when they become available online. The Cardholder must notify the Bank without undue delay (and in any event, no later than 13 months after the debit date of any unauthorised transaction) upon discovery, or even a suspicion of the unauthorised use of the Card or that the Card has been lost, stolen, misappropriated or that it may be misused or the Cardholder suspects or there is any reason for the Cardholder to suspect that the PIN, or Card/Security Details have become known to another person.
- b. Subject to clause (a) above and the provisions of this clause, the Bank will generally investigate the unauthorised transactions and, if the Bank is reasonably satisfied that the transaction was not authorised by you or by the Supplementary Cardholder and that you are not liable, the Bank will pay back to the Primary Account the amounts of the unauthorised transactions (including any interest or charges you paid as a result of the transaction, as well as any interest which we would have paid you on that amount) over the amount of €50. Thereafter, we will not have any further liability to you. You will however be unlimitedly responsible for any, and all, transactions carried out with your Card or your PIN, or Card/Security Details prior to notification in terms of this clause, if you or the Supplementary Cardholder have:
 - i) not used your Card in accordance with these Terms and Conditions, in particular, if you do not take all reasonable steps to keep safe your Card and the PIN, and/or the Card/Security Details;
 - ii) not notified us immediately on becoming aware of:
 - the loss, theft, misappropriation or unauthorised use of the Card,
 - the recording on your Account/s of any unauthorised transactions,
 - any error or other irregularity in the maintaining of your Account/s by us; or
 - having any suspicions that the PIN and/ or Card/Security Details are known by any unauthorised third party;
 - iii) recorded the PIN or the Card/Security Details in any recognisable form, in particular on the Card or on any item which you keep or carry with the Card;
 - iv) acted in any other way with gross negligence or fraudulently.
- c) After notification to us, you will not be liable for any further transactions carried out with your lost, stolen or misappropriated Card. This does not however apply where you have acted fraudulently. Notification under the Agreement should be made to Bank of Valletta p.l.c., Card Business, BOV Centre, Triq il-Kanun, Zone 4, Central Business District, Santa Venera CBD 4060 - Malta, Telephone: +356 2144 0823, which number is available on a 24 hour basis. If you require the use of this service, you are to contact the Bank on +356 2144 0823.
- d) We require information and your assistance to help us to recover the Card. You are therefore to co-operate with us and with the police in our efforts to recover the Card and to investigate any unauthorised transactions you report on your Account. If you are asked to report such transactions to the police, in the country where the loss or theft occurred, as well as locally upon your return, this must be done as soon as possible.
- e) Should you retrieve the Card after you have reported it lost or stolen, you must not use it but forward it to us cut in half.
- f) If either you and/or the Supplementary Cardholder need a replacement Card or PIN, the Account holder or the Supplementary Cardholder should request us to issue the replacement of the Card and/or its PIN and/or the Supplementary Card and/or its PIN respectively. A fee may apply for the replacement of a Card and/or PIN and for the collection of a replacement Card and/or PIN from Card Services or any branch of the Bank as per Tariff of Charges. A different fee as per Tariff of Charges applies if you require the replacement Card and PIN to be made available by the Bank for collection by yourself within 24 hours.
- g) If the card is a Visa card the Bank provides an Emergency Card Replacement service as well as an Emergency Cash Disbursement service when you are abroad, at a cost as per Tariff of Charges. If you require the use of this service, you are to contact the Bank on +356 2144 0823.

5. FINANCIAL AND RELATED PARTICULARS

- a. We will charge to the Primary Account (or the Account in case of cash withdrawals, as applicable) the amounts of all transactions made with the Card issued to the Account Holder and, if appropriate, to the Supplementary Cardholder, (including any amount charged by another bank for the use of their machine and all other amounts you owe us from time to time under these Terms and Conditions or any other terms in relation to the use of the Card or the Account), and, subject to clause 4 above, even if you or any Supplementary Cardholder have not authorised that transaction.
- b. The Cardholder is to ensure that enough funds are available in the Primary Account and/or any other associated account to meet all transactions made with the Card. However, the Bank shall have the right to charge to the Primary Account or to the Account/s the amounts of all transactions whether or not the Primary Account or the Account/s are overdrawn or becomes overdrawn as a result.

- c. Notwithstanding clause 5(b), under no circumstances is the Cardholder authorised to overdraw the Account/s unless previously authorised by the Bank. Overdrawn accounts will be subject to a fee as per Bank's Tariff of Charges and the Cardholder will pay immediately any such overdrawn amounts.
- d. In addition, notwithstanding the above, the Bank shall have the right to refuse authorisation for any Card transaction for any valid reason, including if there are not enough funds in the Primary or any other associated Account to meet such transaction (and the Bank is not obliged to consider whether any funds are available in any other Account/s held by the Cardholder), if the transaction is in breach of any of these Terms and Conditions, or if the Card or the Account has been or is likely to be abused or if there is any other valid reason for doing so.
- e. Where a merchant has sought authorisation from the Bank, the amount authorised will reduce the balance available on the Primary Account.
- f. When any transaction is made in a currency which is different from the Currency, the amounts will be converted into the Currency at the rates of exchange applicable at the time the transactions are cleared by the International Payment Company and all charges are for the Account Holder. Our exchange rates (shown against each transaction) are the wholesale rates applied by the International Payment Company (as applicable) on the date the transaction amounts are processed by the International Payment Company adjusted by a premium of 1.25%. You can find out the applicable exchange rate by accessing the Visa Foreign Exchange Calculator found on www.visaeurope.com. For transactions carried out within those countries regulated by the Payment Services Directive II, cardholders opting to carry out the transaction in a non-Euro currency will be advised of the conversion rate by SMS notification once the transaction is completed.
- g. There will be no charge for cash withdrawals effected by means of the Card at any Branch or ATM of the Bank.
- h. Cash withdrawals effected by means of the Visa debit Cards at any other bank or any other ATM network may be subject to a fee, as per Bank's Tariff of Charges prevailing at the time of the withdrawal.
- i. If the Cardholder or the Supplementary Cardholder would like to be able to give the Bank instructions regarding the Account over the telephone the Bank will ask the Cardholder a number of questions based on information known to the Bank about the Cardholder and the transactions on the Account before the Bank accepts the Cardholder's instructions. The Bank may ask other questions to enable it to identify the Cardholder.
- j. In the event that the Cardholder does not effect payment as agreed, or if the Cardholder is in default, or in the event of any transaction being in breach of these Terms and Conditions, the Bank may, by giving the Cardholder notice in writing, debit any account held by the Cardholder with the Bank, with all or part of any amount due, interest and charges. This shall be without prejudice to the Bank's right to terminate the Agreement as referred to below.
- k. As a fraud prevention measure and/or if your Account has been opened recently or in the event that circumstances arise which in the Bank's opinion cause or may cause a breach by you of the Terms and Conditions of the Card, the daily transaction and/or cash withdrawal limits may be changed by the Bank as it is deemed appropriate in the circumstances. Information about these limits may be obtained from any of the Bank's branches or by calling the Bank's Customer Service Centre on +356 2131 2020. If you want to modify the prevailing limits we may do so at our discretion but upon your own responsibility.

6. RETAILERS

- a. We will have no liability for the refusal of a retailer or bank to accept the Card.
- b. We cannot cancel a payment made using your Card once you have given consent to make the payment to a retailer or supplier or provided your PIN and/or Card/Security Details and enabled the processing of the payment. You will need to contact the retailer or supplier separately. This includes payments made on a regular basis (recurring transactions) from your Account, such as television or magazine subscriptions.
- i. **Visa Account Updater Service.**
 - Your BOV Visa cards are automatically enrolled to the Visa Account Updater Service (VAU). This service is provided by Visa to facilitate uninterrupted processing of recurring charges you have authorised. Under the VAU service, we provide notice to Visa when your card number or expiration date change. If you have authorised a participating merchant to bill your Card for recurring payments, Visa notifies the merchant of your new Card number and expiration date. Card numbers are only supplied to merchants who participate in the VAU service. Since not all merchants participate in the VAU service, you should still notify each merchant when your Card number changes in order to permit recurring payments to continue to be charged to your account.
 - By using your Bank of Valletta Visa card you consent to the processing of your personal data, including mobile number, email address and billing address. This data may be shared with Visa to enable "Click to Pay" for the purpose of facilitating and authenticating payments and will not be used for any other purpose. Should you wish to opt out, you may contact Bank of Valletta in writing to The Manager, Electronic Business Unit, BOV Centre, Triq Il Kanun, Central Business District Zone 4, Santa Venera CBD 4060
- c. Without prejudice to your refund rights in (d) below, if a retailer or supplier agrees to give a refund for a card transaction, we will make the refund when we receive an appropriate voucher or satisfactory confirmation from the retailer.
- d. Refunds: You can ask us to refund a payment effected in connection with a Direct Debit Mandate or a subscription if all the following conditions are satisfied:
 - i. the payment was made to a retailer or supplier in the EU or in Liechtenstein, Norway or Iceland (jointly 'EEA');
 - ii. the authorisation you gave did not specify the exact amount to be paid;
 - iii. the amount that has been requested was more than you could reasonably have expected to pay for the Direct Debit mandate or subscription, based on the circumstances, including your previous spending patterns; and
 - iv. you request a refund within eight (8) weeks of the date the payment was made from your Account
- e. We may ask you to provide information which is reasonably necessary to investigate whether or not you are entitled to the refund. In addition, you may also find it helpful to contact the person you paid using the Card. Within 10 working days of receiving your request (or of receiving further information we have asked for), we will either refund the payment or we will inform you of our reasons for refusing the refund.
- f. If you query the payment made more than eight (8) weeks after it was taken from your account or the payment was made to a retailer or supplier outside the EEA, we are not obliged to make a refund ourselves but we will tell you if we can help or suggest other steps that you could take.

- g. As part of our decision-making process and in an effort to minimize the misuse of cards, we may refer an authorisation request back to the retailer for further information. This may result in you being asked to produce further means of identification. This may also be affected on a random basis for fraud prevention purposes.
- h. If you are in dispute with or have a claim against a retailer, supplier or bank over a transaction made with your Card, you must still pay us all sums unrelated to the dispute. We may give you time to resolve any claim or dispute but may still require payment in accordance with this agreement.
